If you are looking for a business that has systems in place with solid cash flow, this is a great fit. Huge potential to scale. The owner has intentionally run in the \$1-1.5M range, that was his "comfort zone". There have been many years with revenue exceeding \$2m+. The restoration industry is very lucrative, and can't be replaced by computers or robots. Homes and businesses will always get water damage and experience fire/smoke damage. Regardless of the economy or Covid. The business specializes in the cleanup and restoration of residential and commercial property after fire, mold, smoke, or water damage. There is also a strong reconstruction division in place. All systems, crew, and equipment in place. Turnkey Recession-proof business! Real Estate is available as well.
