13 Year Old High-End Luxury Fur Clothing Business for sale, the raw material is acquired in Europe (Denmark, Poland, Netherlands) and manufactured in Ukraine (Kiev). The majority of the products (80-90%) is made by Mink, the rest by Karakul Sheep and Silver Fox. In the last few years, according to the IFTF, global fur sales have more than doubled, from \$15.6 billion in 2011 to \$35.8 billion in 2013. The primary driver of this growth is increased demand from China, which has offset the effects of wider economic instability and the impact on consumer preferences of years of high-profile animal rights activism. The company has been selling its products in 9 stores in all richest cities in Ukraine. 2020 has been a difficult year due Covid, the Owner has decided to sell the business and invest in real estate.
